Protect Your Pipes With... WRAP-ON® Insulation Products

Standard 3-Inch Wide Fiber Glass

Our most popular fiber glass for your customer's insulation needs... ideal for insulating heat tapes or hot or cold pipes. Stops cold water pipes from sweating; prevents heat loss from hot water pipes. It's also perfect for caulking cracks. Full 1/2" thickness. Vapor seal material included.

No. 16503 Standard Width Fiber Glass
Carton contents: 12 rolls, 1/2" x 3" x 35' each... each package comes complete with 40' of 2" wide vapor seal material.

Jumbo 6-Inch Wide Fiber Glass

This Jumbo size—also a full 1/2" thick—is perfect for insulating large objects, hot water tanks, long duct work or large pipes. It also works well as a sound-deadening material! A generous supply of vapor seal included in each package.

No. 16506 Jumbo Width Fiber Glass
Carton contents: 6 rolls, 1/2" x 6" x 35' each... each package comes complete with 80' of 2" wide vapor seal material.

Vinyl-Backed 3-Inch Wide Fiber Glass

Vinyl Backed Fiber Glass insulation eliminates the need for a separate vapor barrier, making it easier than ever to install. The 1" thick, long fiber material provides excellent 3.7 R value and high tensile strength. No overlap required, increasing the coverage per roll.

No. 16509 Vinyl Backed Fiber Glass
Carton contents: 12 rolls, 1" x 3" x 25' each.

Pipe-Guard 3-Inch Wide Fiber Glass

Complete and economical pipe insulation protection for your customers. Wrap-On® Pipe-Guard Fiber Glass offers high tensile strength for easy installation on hot or cold water pipes. Full 1/2" thickness. Package also includes vapor seal material.

No. 16525 Pipe-Guard Fiber Glass
Carton contents: 24 rolls, 1/2" x 3" x 25' each... each package includes 30' vapor seal material.

WRAP-ON® – the Name to Trust in Water Pipe Freeze Protection for More than 60 Years

A Complete Line Of Products For Easy-To-Use Installation!

Insul-Foil Pipe Insulation

WRAP-ON® Insul-Foil Pipe Insulation combines heavy aluminum foil with tough PVC vinyl foam. Self-adhesive back for ease of installation, even permanent outdoor applications. Easily installed to fit any design. Reduces sweating and heat loss. Temperature range from -30°F to +200°F. Not for use with heating cables.

No. 16715 Insul-Foil Pipe Insulation Display
Carton contents: 12 rolls, 1/8" x 2" x 15'.
No. 16730 Insul-Foil Pipe Insulation Display
Carton contents: 6 rolls, 1/8" x 2" x 30'.

Insul-Foil Duct Insulation

WRAP-ON® Insul-Foil Duct Insulation is made of heavy duty aluminum foil, top grade closed-cell PVC vinyl foam and self-adhesive backing for easy, one-step installation. It reduces heat loss, cuts fuel bills and makes an effective sound deadener.

No. 16750 Insul-Foil Duct Insulation
Carton contents: 4 rolls, 1/8" x 12" x 15' each.

Bulk Roll Fiber Glass

Here's additional profit for you, and WRAP-ON® quality for your customers... WRAP-ON® Fiber Glass in bulk! Each roll is packed in an individual box for your convenience.

No. 16550 Bulk Roll Fiber Glass
Carton contents: 1 roll, 1" x 24" x 50'.
